Air Caster Presentation at SAMPE, Japan, September 27

SEATTLE, WA — September 18, 2013 — A detailed presentation and case studies regarding the use of air casters in the aerospace industry will be presented on September 27th in the Sanjo Conference Hall at the University of Tokyo. The presentation is part of the Japan technical meeting hosted by the Society for the Advancement of Material and Process Engineering. The presentation will be given by John Massenburg, President of AeroGo and Jun Daigo, President of AGA Corp.

Founded in 1967, AeroGo is the world leader in providing standard and customized load moving solutions for highly sensitive and exceptionally heavy loads.
